KEEP IT CLEAN

We here in the Cook Islands are always conscious of our environmental footprint to ensure that our picturesque paradise remains that way for many more generations to enjoy.

One easy way of doing this is not replacing towels every day. We ask that you please help us and only ask for your towels to be replaced every second day.

Any damage sustained in your room, will incur a service fee of \$80.

We also ask that while keeping our environment in mind that you help assist us by separating your recycling! **Be a tidy Kuki**
